 Complete the information requested at the top of the sheet. Make sure you number the sheets having their correct order is vital in compiling the information. Record in sequence each Bib Number as the Competitor passes by, going from the top to the bottom of the first group of columns, and then starting once more at the top of the second group of columns. Occasionally (about once every five competitors), record the time of day from your watch. The column entitled 'PASS' is used to count the number loops that the competitor completes after each bout shooting. You can ask for instructions about how to conduct the count using this column. 	correct orde 2. Record in first group o (about once 3.
